TRUDI GALLAGHER RN

Ms. Gallagher is the Senior Comprehensive Patient Blood Management Specialist for ACCUMEN (USA based company). She is the former State Clinical Coordinator for Patient Blood Management for the Western Australia Department of Health (2011 through 2015) under the direction of the Chief Medical Officer of the DOH. During her time in Western Australia she sat on National PBM Steering Committee (established by the National Blood Authority). She has specialized in the field of patient blood management for over 20 years. Her sub specialty is iron deficiency with or without anaemia as well as implementing well rounded PBM programs. She has been an RN over 45 years.
